

Winter 2020 Term: 201902 (January – April 2020)

**AMENDMENT TO EXISTING SYLLABUS FOR INTRODUCTION TO PHYSICAL GEOGRAPHY II
(GEOG 102)**

Date Revision Shared with Students: April 2, 2020

The winter 2020 term at Yukon College was disrupted by an unprecedented global health crisis. On March 11, 2020, the World Health Organization (WHO) declared COVID-19 a pandemic. Accordingly, Yukon College courses for the Winter 2020 term have moved to remote delivery. Subsequently, a decision was made to adjust the grading scheme for the Winter 2020 term.

The changes were put in place to ensure equity among students, preserve academic integrity in extraordinary circumstances, and to manage the issues presented by an uncertain future, including the impact on our students and human resources.

To ensure clarity for students, all Winter 2020 course outlines are to be updated using this amendment template and shared with students.

Course Code: GEOG 102

Course Title: Introduction to Physical Geography II

Instructor Name: Mary Samolczyk

Instructor Contact Information: msamolczyk@yukoncollege.yk.ca (867 456 6958)

Revised course assessment plan:

There is no revision to the course assessment plan. The course assessment will remain the same as originally stated in the course outline.

Other course changes:

- The lecture and lab have moved from face-to-face delivery to asynchronous online delivery.
- Assignment #2 has changed from a podcast presentation to a written assignment.

IMPORTANT NOTES:

- If students require alterations in their approved accommodations, please contact the Learning Assistance Centre
- The changes with respect to the mode of delivery of instruction and assessment, and the changes to grading regulations do not constitute grounds for an appeal.
