COURSE DESCRIPTION

In this course, students will continue to apply the features of word processing using Microsoft Word to create more complex, error-free business documents. Students preparing for successful business careers need to acquire the necessary word processing skills essential to obtaining employment in an office setting.

Word Processing 220 is designed for students who must master the advanced functions of Microsoft Word in order to format and produce mailable business documents.

COURSE REQUIREMENTS

Prerequisite(s): Completion of COMP 161 or WP 120 with a grade of C or higher.

EQUIVALENCY OR TRANSFERABILITY

Receiving institutions determine course transferability. Find further information at:
<https://www.yukonu.ca/admissions/transfer-credit>.

LEARNING OUTCOMES

Upon successful completion of the course, students will be able to apply the advanced functions of word processing using Microsoft Word to produce error-free and industry-standard formatted documents.

Students will be able to operate Microsoft Word in order to

1. Create multi-page, multi-section reports with table of contents, using a template with styles
2. Create form letters, mailing labels, and phone lists using mail merge
3. Use tables to create complex business documents
4. Format advanced, complex business documents using desktop publishing principles and guidelines
5. Create and use templates with styles and macros
6. Create and use basic macros

7. Create online forms
8. Integrate Word with other programs and with the World Wide Web
9. Customize Word to automate work (macros, templates, Quick Parts, toolbars)

COURSE FORMAT

Weekly breakdown of instructional hours

WP 220 is a 3 credit course. Course content is presented in weekly tutorials. Students are expected to review course materials as well as spend additional time practising the functions and working on reinforcement exercises and assignments in order to master the required skills.

Delivery format

The format of the course will include lectures, demonstrations, and individual work. All sessions will take place in the lab.

Email and frequent internet access are an important part of this course. The instructor will communicate through the assigned Yukon University email addresses and the moodle.yukonu.ca course website. The use of the moodle.yukonu.ca course website is mandatory.

Graded assignments will be available to you on Moodle. In addition to the assignment work, there will be three term tests and one final project.

EVALUATION

Assignments	40 %
Term Tests (3)	20 %
Final Project	40 %
Total	100%

In order to pass this course, students must obtain an overall mark of 60% or higher.

Yukon University's grading system is a letter grade system based on a 4.0-point scale. For transcript purposes, percentage marks are converted into letter grades according to the following system:

Grade	Grade Point Value	Percent Equivalent (most YukonU Courses)
A+	4.0	95-100
A	4.0	86-94
A-	3.7	80-85
B+	3.5	75-79
B	3.0	70-74
B-	2.7	65-69
C+	2.5	62-64
C	2.0	58-61
C-	1.7	55-57
D	1.0	50-54
F	0.0	Under 50%

Assignments

This course includes 10 assignments. Each assignment must be submitted electronically, in the appropriate assignment drop box on the Moodle course page, on or before **midnight on Sunday of the week** assigned, unless previous arrangements have been made **in writing** with the instructor.

Late assignments will lose 10% per day penalty for each of the first three days. No assignment will be marked after the three-day penalty period.

If you feel you have a valid reason why you should not be subject to the penalty, it is your responsibility, as soon as you return, to inform your instructor. All late assignments that are submitted for grading purposes must be accompanied by a written explanation that includes the following:

- Your name
- Course name
- Reason for late (doctor's note if applicable)
- Original due date
- Date submitted

If you know ahead of time that you will be absent, it is your responsibility to provide a written explanation to your instructor. Arrangements can then be made with your instructor for your assignment due dates.

5 marks will be deducted for all major errors on assignments, tests and project, including

- typing errors
- spelling errors
- word(s) omitted or repeated
- major technicality errors (style, placement rules, incorrect format)
- not following instructions

2-3 marks will be deducted for all minor errors, including

- punctuation errors
- capitalization errors
- minor technicality errors such as incorrect word division and incorrect spacing

Tests

There are three tests and a final project.

The term tests and final project must be written and completed within the scheduled date and time.

Reference materials may be used during the tests.

COURSE WITHDRAWAL INFORMATION

Refer to the YukonU website for important dates. The Winter 2026 withdrawal date is: Thursday, March 5th.

TEXTBOOKS & LEARNING MATERIALS
