

Employment Opportunity Part-Time STEAM Facilitator

Through our Whitehorse campus and 12 community campuses across the territory, Yukon University (YukonU) partners with the 14 Yukon First Nations in all that we do. Reconciliation and Indigenization are paramount values at YukonU. Building relationships with, and responding to Yukon First Nations needs, through programming and research is at the core of our institution.

YukonU offers degree, diploma and certificate programming across a multitude of disciplines, including trades and university prep coursework. Research is a significant component of YukonU as well; we've achieved top spot for the number of paid student researchers, as compared to similar-sized institutions.

Join us as we continue to build the North. Together we thrive!

Part-time STEAM Facilitators

Continuing Education

Majority of programming will take place in Whitehorse

Work term: September 14, 2026 - December 31, 2026
(opportunity to continue next semester)

Hourly Rate: starting at \$20.03 - \$25.91, 6-10hrs/week

Apply By: August 28, 2026

Inspire young people to discover their potential in Science, Technology, Engineering, Arts, Math (STEAM) and Trades! YukonU is looking for enthusiastic STEAM Facilitators who enjoy working with youth ages 6-19 in both indoor & outdoor experiential settings. With your strong facilitation skills, you will share your diverse life experiences and knowledge of STEAM and/or trades with youth. Reporting to the Youth STEAM Coordinator(s), the after-school club facilitators will work in teams of two to three to coordinate and deliver safe and enriching after-school club and weekend programming in Whitehorse.

The majority of the programming run in our after-school clubs will be outdoors, with an emphasis on outdoor experiential learning and active play. Applicants should be comfortable being outside in all weather conditions.

Job Requirements:

- Current high school or post-secondary students, or recent graduate;
- Interested in working with youth in any of the following disciplines: Sciences, Engineering, Arts, Mathematics, Education, Computer Sciences, Trades;

A vulnerable sector check will be required upon hire.

A valid class 5 driver's license and previous experience working with youth are considered an asset.
