PAYING FOR YOUR TUITION DEPOSIT

REFUND POLICY

It is very important to read and understand the Yukon University's refund policy **before** paying the tuition deposit. Tuition deposits (less the processing fees) will be refunded if a rejection letter from IRCC is provided. A refund may also be considered after completion of one semester of studies at Yukon University. This means that applicants need to be fully committed to studying at Yukon University or they risk losing a significant portion of their deposit.
