

April 25, 2022

Dr. Lesley Brown
President
Yukon University

Dear Lesley:

Congratulations on your appointment as President of Yukon University.

I am looking forward to working with you as part of the BCAIU group.

NVIT and Yukon University have a long standing relationship as we continue to address the Post-Secondary educational needs of Indigenous students. I look forward to continuing to build on that already strong partnership that has been established.

Congrats again.

Ken Tourand
President
NVIT
