NOTES: *course fills up, register early

****several sections of English 100 are also available online, but register early, they fill up**

*****For students with prerequisites completed already**

e.g. SOILS 210 if ENVS 100 or CHEM 110 is already completed, BIOL 220 if BIOL 101 and 102 completed.

Schedule subject to change prior to start of classes; if there is a discrepancy between this and the schedule from Admissions and Registration, the one from Admissions should be considered correct! 😊
