

# Summer Camp Schedule 2026

# SCHEDULE AT A GLANCE

	Ages 6 - 8	Ages 9 - 11	Ages 12 - 14	OLDER YOUTH
<b>Week 1</b> (Jun. 23-26) *** 4 DAY WEEK	ROCK & ROAR	BLAST OFF	FILM 101	
<b>Week 2</b> (Jun. 29 - 30 & Jul. 2 - 3) *** 4 DAY WEEK	MAKER CAMP	MAKER CAMP	MAKER CAMP	MAKER CAMP
<b>Week 3</b> (Jul. 6 - 10)	CHEMISTRY KIDS	ANCIENT EXPLORERS	CODING BOOTCAMP	
<b>Week 4</b> (Jul. 13 - 17)	<b>ALL GIRLS &amp; NON-BINARY YOUTH WEEK</b>			
	STEAM FOR GIRLS & NON-BINARY YOUTH	STEAM FOR GIRLS & NON-BINARY YOUTH	STEAM FOR GIRLS & NON-BINARY YOUTH	TRY THE TRADES (YWITT)
<b>Week 5</b> (Jul. 20 - 24)	LITTLE INVENTORS	FANTASTIC FORENSICES	ENTREPRENEURSHIP	TRY THE TRADES (SKILLS CANADA YUKON)
<b>Week 6</b> (Jul. 27 - 31)	<b>NATURE WEEK</b>			
	BUGS, BOTANY, & BIOMES	BIOLOGICAL WONDERS	OPERATION CONSERVATION	EMPOWERED ENVIRONMENTALISTS
<b>Week 7</b> (Aug. 3 - 7)	BLAST OFF	CHEMISTRY KIDS	FANTASTIC FORENSICS	
<b>Week 8</b> (Aug. 10-14)	<b>TENNIS WEEK</b>			
	SCIENCE OF TENNIS	SCIENCE OF TENNIS	SERVE IT UP	

# WEEK 1 (JUNE 23 - 26)

**\*4 DAY WEEK\***

## **Ages 6 - 8:**

### **Rock & Roar**

**Cost: \$340**

Youth will be immersed in the world of geology and paleontology. This camp will allow participants to explore everything from the Earth's shifting tectonic plates to dinosaurs through fun hands-on activities. Come join us to explore rocks, fossils, artifacts, and much more! This camp is co-ed.

## **Ages 9 - 11:**

### **Blast Off**

**Cost: \$340**

It's time to explore what adventures are out there in space! Youth in this camp will get the chance to build their own creations as they learn about how math and physics combine together to get astronauts into space. As always there will also be plenty of time outdoors to help youth stay active. This camp is co-ed.

## **Ages 12 - 14:**

### **Film 101**

**Cost: \$340**

Unleash your creativity and explore the magic of filmmaking at our film camp! This immersive program is designed for aspiring filmmakers ages 12-14 who are ready to bring their ideas to life. Learn about the fundamentals of storytelling, scripting, camera techniques, and editing. This camp is co-ed.

**\*\*\* This program is capped at 12 participants**

# WEEK 2 (JUNE 29 - 30 & JULY 2 - 3)

*\*4 DAY WEEK\**

**Ages 6 - 8, 9 - 11, 12 - 14,  
& 15 - 18**

**Cost: \$340**

## Maker Camps

Join us for an exciting time at our Maker Camps, where creativity meets craftsmanship! Designed for participants of all ages with a passion for hands-on learning, these camps blend the art of making with practical trades skills, offering participants an unforgettable experience of building, problem-solving, and teamwork. These programs are co-ed.

**\*\*\* These programs are capped at 12 participants**

## WEEK 3 (JULY 6 - 10)

**Ages 6 - 8:**

**Chemistry Kids**

**Cost: \$425**

Explore the magical world of chemistry! Youth in this camp will have the opportunity to learn about this amazing field of science through fun, interactive experiments and reactions. Combined with plenty of games and outdoor activities, this is sure to be a radical week! This camp is co-ed.

**Ages 9 - 11:**

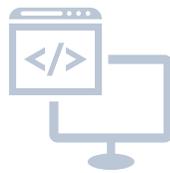

**Ancient Explorers**

**Cost: \$425**

Youth will be immersed in the world of geology and anthropology. This camp will allow participants to take part in fun treasure hunt-like activities that teach them about the earth's crust, dinosaurs, and human history. Come join us to explore rocks, fossils, artifacts, and much more! This camp is co-ed.

**Ages 12 - 14:**

**Coding Bootcamp**

**Cost: \$425**

Coding and computers are a crucial part of all fields in STEAM, so now is the best time to start learning and sharpen your skills! This camp is an introduction to some of the basic coding skills, including sequencing, if/else statements, loops, etc. We will be using the scripting language Python in this camp. This camp is co-ed.

**\*\*\* This program is capped at 12 participants**

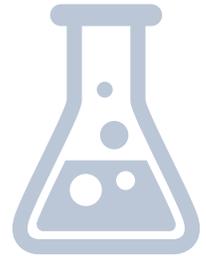

**WEEK 4 (JULY 13 - 17)**

**ALL GIRLS & NON-BINARY WEEK!**

**Ages 6 - 8, 9 - 11, & 12 - 14**

**STEAM For Girls & Non-Binary Youth\*\*\***

Can't choose? Do it all! This is your chance to try new science experiments, program robots, explore math, and learn to design like an engineer! This camp encourages participants to ask questions, discover, and create in a variety of STEAM fields. These camps are designed for female-identifying and non-binary participants ages 6 - 8, 9 - 11, and 12 - 14.

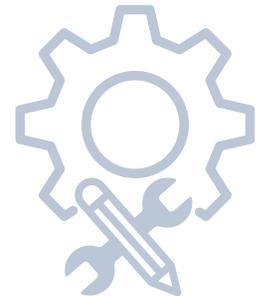

**Cost: \$425**

**Ages 13 - 18** 

**Try the Trades (YWITT)**

YukonU Youth STEAM and Trades is partnering with YWITT to introduce youth to a variety of trades from tradespeople over the course of the week. This is a great opportunity to see if Trades might be the right fit for you! These camps are designed for female-identifying and non-binary participants\*\*\*.

**Cost: TBD**

**This program is capped at 10 participants.**

**\*\*\* YukonU STEAM & Trades strives to create an inclusive environment to advance gender equity in STEAM and trades. Our programs are welcome to gender diverse youth, including but not limited to cis, trans, Two-Spirit, non-binary, gender non-conforming, and genderqueer youth. If you have any questions, please feel free to contact our team at [camps@yukonu.ca](mailto:camps@yukonu.ca).**

## WEEK 5 (JULY 20 - 24)

### **Ages 6 - 8: Little Inventors**

Come join us as we explore the world of STEAM through creative experiments, problem-solving challenges, and exciting mini-inventions. Participants will get the chance to think like scientists and inventors. This camp is co-ed.

**Cost: \$425**

### **Ages 9 - 11: Fantastic Forensics**

Come explore the fantastic field of forensics with us! Participants will get the opportunity to identify tire marks and footprints, learn how blood types work, and how to camouflage themselves to conduct top secret missions. This camp is co-ed.

**Cost: \$425**

### **Ages 12 - 14: Entrepreneurship**

Youth will get the opportunity to develop their wonderful ideas, create business plans, design their own products, and market them to our team. They will also have plenty of creativity breaks to engage in fun, outdoor STEAM-themed games. This camp is co-ed.

**Cost: \$340**

**\*\*\* This program is capped at 14 participants**

### **Ages 13 - 18: Try the Trades (Skills)**

YukonU is partnering with Skills Canada Yukon to introduce youth to a variety of trades over the course of the week. This is a great opportunity to see if Trades might be the right fit for you! This program is co-ed.

**Cost: TBD**

**\*\*\* This program is capped at 10 participants**

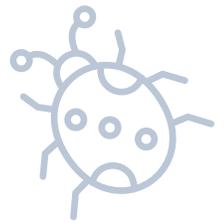

# WEEK 6 (JULY 27 - 31)

## NATURE WEEK!

### Ages 6 - 8: Bugs, Botany, & Biomes

Youth will learn all about the natural world! Including microscopic plant cells, the dynamic world of insects, and much more. Activities will be hands-on with plenty of opportunities to be outside, immersed in nature. This camp is co-ed.

**Cost: \$425**

### Ages 9 - 11: Biological Wonders

Interested in diving deeper into the world of biology, cells, and botany? Join us to explore the building blocks of life and uncover the secrets of the plant kingdom through interactive experiments, outdoor activities, and creative projects. This camp is co-ed.

**Cost: \$425**

### Ages 12 - 14: Operation Conversation

Interested in diving deeper into the world of environmental conservation? Join us to learn how ecosystems and conservation work, as well as ways to care for the environment. Throughout this camp, participants will be encouraged to utilize curiosity and teamwork to connect to the natural world.

**Cost: \$425**

### Ages 15 - 18: Empowered Environmentalists

Join this week-long session to explore conservation, ecology, and environmental action. Participants will work on meaningful projects, meet local environmental advocates, and gain insight into how change happens in their own communities. This session is co-ed.

**Cost: \$425**

**\*\*\* This program is capped at 10 participants**

## WEEK 7 (AUGUST 3 - 7)

**Ages 6 - 8:**

**Blast Off**

**Cost: \$425**

It's time to explore what adventures are out there in space! Youth in this camp will get the chance to build their own creations as they learn about how math and physics combine together to get astronauts into space. As always there will also be plenty of time outdoors to help youth stay active. This camp is co-ed.

**Ages 9 - 11:**

**Chemistry Kids**

**Cost: \$425**

Explore the magical world of chemistry! Youth in this camp will have the opportunity to learn about this amazing field of science through fun, interactive experiments and reactions. Combined with plenty of games and outdoor activities, this is sure to be a radical week! This camp is co-ed.

**Ages 12 - 14:**

**Fantastic Forensics**

**Cost: \$425**

Come explore the fantastic field of forensics with us! Participants will get the opportunity to identify tire marks and footprints, learn how blood types work, and how to camouflage themselves to conduct top secret missions. This camp is co-ed.

# WEEK 8 (AUGUST 10 - 14)

## TENNIS WEEK!

**Ages 6 - 8 & 9 - 11**

**Cost: \$425**

### Science of Tennis

Serve up some learning and fun at the Science of Tennis, where young athletes and curious minds explore the exciting science behind the game of tennis! These unique camps for ages 6-8, 9 - 11, and 12 - 14 combine the thrill of the sport with hands-on experiments and interactive lessons that reveal the physics powering every swing, spin, and serve. This camp is in partnership with Tennis Yukon, who will be providing lessons for a portion of each day of camp. These camps are co-ed.

**Ages 12 - 14**

**Cost: \$425**

### Serve it up: Culinary & Tennis

Cooking and baking require incredible amounts of math and science. For this camp, youth will learn to create their own unique dishes in the same kitchen that apprentices at the university use! This camp will include lots of snacking and is in partnership with Tennis Yukon. Participants will be spending a portion of their day playing tennis. This camp is co-ed.

**\*\*\* This program is capped at 12 participants**
