David Morrison, Chair
Yukon University Board of Governors
500 University Drive
PO Box 2799
Whitehorse, YK Y1A 5K4

Dear Mr. Morrison:

On behalf of Luther College at the University of Regina, I would like to please extend our sincere congratulations and best wishes to Dr. Lesley Brown on the occasion of being installed as the eighth President and Vice-Chancellor of Yukon University on May 13, 2022.

It is my great pleasure to bring official greetings from a fellow Universities Canada member institution. Yukon's educational institutional history, first as a technical institute, then college, and now as a full university represents the growth and transformational change of the educational needs of the north. Yukon University is now well positioned to fill this important need in our northern communities, and it will be well and capably shepherded under Dr. Brown's leadership in the years to come.

Congratulations and best wishes!

Sincerely,

A handwritten signature in black ink that reads 'M/JERRY'.

Dr. Marc Jerry
President,
Luther College at the University of Regina
