Bachelor of Education After Degree (BEAD):

Instructions for Use

This planning guide is to assist you in selecting courses each term. Read carefully, as some courses are only offered in one term/year, and some are offered in multiple terms/years.

***The recommended sequencing plan and note section in this guide will be beneficial in helping you select courses.**

Refer to your program page on the main website under programs/courses for a more thorough description of each course.

A glossary (description) of common words and phrases used in this guide can be found on the last page.

Graduation Requirements and Yukon First Nations Core Competency

The YNTEP Bachelor of Education is awarded for the completion of the required:

120 Credits in the four-year equivalent program, OR

60 credits in the two-year equivalent Bachelor of Education after Degree.

To graduate, students must pass all the required courses, and:

- complete 50% of the course work at Yukon College or University of Regina
- maintain a 65% average and satisfactory professional development throughout the program

Yukon University recognizes that a greater understanding and awareness of Yukon First Nations history, culture and journey towards self-determination will help to build positive relationships among all Yukon citizens. As a result, all students are required to achieve core competency in knowledge of Yukon First Nations as a graduation requirement.

Students in the YNTEP Bachelor of Education programs acquire knowledge related to the First Nation Core Competencies through core program content and meet the graduation requirement.

Recommended Sequencing Plan

Shown below is a sample sequence of courses for your degree. If you follow this plan, you should be able to graduate in four years, provided you complete five courses per term. This is just one example of how you could complete your major and degree requirements; you may find that a different sequence works as well.

Part time completion of the 60 or 120 credit programs is also possible.

Student Responsibility

You are responsible for the completeness and accuracy of your registration and for determining the requirements of your program. Always read course descriptions before you register to determine if you have the necessary prerequisites and pay attention to notes on mutually exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one).

Program Notes

YNTEP currently offers two degree programs. The two-year program is called a Bachelor of Education After Degree (BEAD) and is a 60-credit program for students who have previously completed an undergraduate degree. The four-year program is a 120-credit program Bachelor of Education Degree.

The Yukon College YNTEP program is offered through a partnership with the University of Regina. Students who complete all program requirements will be awarded a University of Regina BEd.

Common Words and Phrases

- A **Credit** is the unit of weight for university courses and range from 1 to 15 credits.
- **Grade Point Average (GPA)** is a representation of academic achievement produced by dividing the total number of grade points earned over a period, usually a semester, divided by the number of courses or credits taken. See page 18 of the Academic Regulations for a fuller explanation.
- **Highly Recommended Course** is a course that would be beneficial to your learning and should be taken either before or during your studies.
- **Prerequisite** is a course that must be completed with a satisfactory grade before enrolling in a subsequent course.
- A **Semester** is a portion of an academic year, during which an educational institution holds classes. Many people use the word 'term' interchangeably. We have three semesters per year. (Fall, Winter & Spring/Summer – see below)

*Note: not all programs use three (3) terms as part of their study schedule – most programs at YukonU use only the Fall & Winter term.

- **Recommended Sequencing Plan** shows a program's courses arranged according to year and semester (Fall, Winter, Spring) and are recommended to be taken in this order to complete a certificate, diploma or degree.
- **Fields of Study**
 - **Humanities** is the study of unique products of human culture and expression and include history, literature, language, philosophy, the visual arts, theatre, dance, and music.
 - **Social Science**, sometimes called the behavioural sciences, is the branch of academic study that looks at human activity in societies and seeks to understand the causes and consequences of social phenomena. Many social sciences have a social justice agenda in that they also seek to find and offer solutions to social problems. Social science disciplines include anthropology, criminology, economics, political science, sociology, psychology, and women and gender studies.
 - **Science** deal with the study of natural phenomena through observation, experimentation and use of scientific methods and include study in fields such as astronomy, biology, chemistry, mathematics environmental sciences and physics.
- **Semester Starts and Ends**
 - Fall = Either Late August or early September through December
 - Winter = Early January through April (Sometimes into early May)
 - Spring/Summer = May through August

Note: **Your program area determines terms/semester exact dates.**
