

Program Planning Guide

School of Liberal Arts

Bachelor of Arts in Indigenous Governance – 2020

Instructions for Use

This planning guide is to assist you in selecting courses each term. Read carefully, as some courses are only offered in one term/year, and some are offered in multiple terms/years.

***The recommended sequencing plan and note section in this guide will be beneficial in helping you select courses.**

Refer to your program page on the main website under programs/courses for a more thorough description of each course.

A glossary (description) of common words and phrases used in this guide, can be found on the last page.

Graduation Requirements and Yukon First Nations Core Competency

To receive a Yukon University Bachelor of Arts in Indigenous Governance, a student must:

- Pass all the required courses (90 credits).
- Complete 50% (45 credits) of the coursework through Yukon College (residency requirement) achieve a minimum 2.0 cumulative GPA upon graduation (C average).
- *Successfully fulfill the Yukon College/Yukon University First Nations core competency requirement.

Yukon First Nations Core Competency

Yukon University recognizes that a greater understanding and awareness of Yukon First Nations history, culture and journey towards self-determination will help to build positive relationships among all Yukon citizens. As a result, you will be required to achieve core competency in knowledge of Yukon First Nations.

***Courses within the Indigenous Governance program fulfill the Yukon First Nations Core Competency component.**

Notes

- **Spring Semester Courses:** Courses in the spring semester will be offered on rotation every year. Advanced planning is required for your yearly course schedule to ensure the courses you wish to take in the spring are available.

Recommended Sequencing Plan

Shown below is a sample sequence of courses for your degree. If you follow this plan, you should be able to graduate in three years, provided you complete five courses per academic year (up to three semesters per year). The sequence below is one example of how you could complete your core and elective requirements; you may find that a different sequence works as well, though it's important to note that some courses are offered only in Fall or Winter while others are available in both or more (see the "Usual Term" column in the program plan on the previous page). You may complete the courses over six semesters, and you may take them in any order you like provided you have met any prerequisites.

PREPARATORY COURSES

To be eligible for admission to the Bachelor of Arts in Indigenous Governance, students must hold:

- Grade 12 graduation with English 12 and Math 10 (Foundations and Pre-calculus, or Workplace Mathematics 10); OR
- Acceptance into a related post-secondary program at a comparable level to the Bachelor of Arts (Indigenous Governance) degree; OR
- Five years of manager-level work experience with four to five pieces of sample writing for eligibility assessment.

Student Responsibility

Students are responsible for the completeness and accuracy of course selection and registration and for determining the requirements of your program. Always read course descriptions before you register to determine if you have the necessary prerequisites and pay attention to notes on mutually exclusive and cross-listed courses (pairs of courses in which credit will be awarded for only one).

Program Advising

Common Words and Phrases

- A **Credit** is the unit of weight for university courses and range from 1 to 15 credits.
- **Grade Point Average (GPA)** is a representation of academic achievement produced by dividing the total number of grade points earned over a period, usually a semester, divided by the number of courses or credits taken. See page 18 of the Academic Regulations for a fuller explanation.
- **Highly Recommended Course** is a course that would be beneficial to your learning and should be take either before or during your studies.
- **Prerequisite** is a course that you must complete with a satisfactory grade before enrolling in a subsequent course.
- A **Semester** is a portion of an academic year, during which an educational institution holds classes. Many people use the word 'term' interchangeably. We have three semesters per year. (Fall, Winter & Spring/Summer – see below)
*Note: not all programs use three (3) terms as part of their study schedule – most programs at YukonU use only the Fall & Winter term.
- **Recommended Sequencing Plan** shows a program's courses arranged according to year and semester (Fall, Winter, Spring) and are recommended to be taken in this order to complete a certificate, diploma or degree.
- **Fields of Study**
 - **Humanities** is the study of unique products of human culture and expression and include history, literature, language, philosophy, the visual arts, theatre, dance, and music.
 - **Social Science**, sometimes called the behavioural sciences, is the branch of academic study that looks at human activity in societies and seeks to understand the causes and consequences of social phenomena. Many social sciences have a social justice agenda in that they also seek to find and offer solutions to social problems. Social science disciplines include anthropology, criminology, economics, political science, sociology, psychology, and women and gender studies.
 - **Science** deal with the study of natural phenomena through observation, experimentation and use of scientific methods and include study in fields such as astronomy, biology, chemistry, mathematics environmental sciences and physics.
 -
- **Semester Starts and Ends**
 - Fall = Either Late August or early September through December
 - Winter = Early January through April (Sometimes into early May)
 - Spring/Summer = May through August

Note: Your program area determines terms/semester exact dates.
